Review Staff: 75/2289Date 11 August 1975

STAT

TO : CIA Task Force

FROM : The Review Staff,

SUBJECT : SSC/HSC Request

RECEIVED: Date _____ Time _____

HSC staffer Roeder's 8 August letter requests a list of "management reports" that are prepared by CIA. This would include both financial reports and "all internal management reports" filed at various points in the chain of command at the different times of the budget year. Go down to the level of major components (Office, Division, major independent component) but include overseas station reports to Headquarters. Post mortems and case histories should be listed if they are considered management tools.

Please note that this is a request for a list only, not for samples of the actual reports.
